

MAKE HOT LUNCH... SIMPLE!

My Hot Lunchbox School Lunch Program

My Hot Lunchbox is bringing your school hot, fresh lunches from local restaurants your students know and love! We work with our on-site nutritionist to design well-balanced, nutritious meal options.

My Hot Lunchbox makes lunch ordering easy! Parents just login, choose menu items and check out online. Each account can be set up with multiple children that attend the same school. Orders can be printed in a calendar view for easy reference. Opt-in email reminders are sent to remind you when menus open for ordering.

We look forward to serving you this school year!

- Two months of daily menu choices (or as many days a week as you choose)
- Order for one child and copy the same selections to any of your other children
- Copy any selection to any day offered within the menu cycle
- Print one calendar view with all orders, even multiple children
- You can easily add, modify or cancel an order up to 24 hours prior to the delivery day
- Optionally save your credit card information for future orders
