### Cause

### Effect

The worksheet is designed for a cause-and-effect activity. It consists of three rows. Each row has a blue-outlined box on the left for writing causes and a red-outlined box on the right for writing effects. A large purple arrow connects each cause box to its corresponding effect box. On the right side, a cartoon girl with glasses is sitting and reading a book titled 'Wow'.

Make Me Laugh • Level A • 1

Skill: Cause and Effect

**Instructions:** Have students draw and label three things that make the girl laugh in the boxes on the left. Then, have them draw and label the effects in the boxes on the right.
