book/history/science unit,

_____.

I plan on wearing

Please remember that the character you choose should be from one of the Classics-to-Keep from the K-12 list, Greek or Roman Mythology or a historical character from our History or Science curriculum. It's preferred, but not required, that your character looks like the author's description of the character and not a movie version. If your costume will be at all see through, you must wear your uniform underneath. If you choose not to participate, you will need to come in uniform. **All costumes must abide by dress code guidelines in the Family Handbook and must exclude any frightening or aggressive costumes or accessories.*
