

Mad Science at Archway Trivium

The World's Leading Extracurricular STEM Provider

Grades: K – 5th Days: Thursdays

Dates: February 1st thru April 25th (12 class dates)

Skip Dates (no class): March 14th

Times: 3:30 – 4:30

Motion Mania explores all the ways the world is always moving! From ocean currents to fast-paced technological advances to catapults, kids will become experts on energy and biology.

Includes lessons like:

- Life in the Sea
- Radical Robots
- All About Animals

Academy of Future Space Explorers (AFSE) was developed with NASA exclusively for Mad Science. Kids learn about our amazing universe and the objects within it, as well as how much work goes into making human space travel a reality.

Includes lessons like:

- Rocket Science
- Planets and Moons
- Space Travel
