

Ballet/Jazz Class

DESCRIPTION:

Ballet is the technical base for all other styles of dance that are taught. Students will develop strength, poise, and flexibility as they learn routines and work on center floor skills. Jazz allows dancers to develop technical skills such as leaps and turns. This class is a well-rounded introduction to these traditional dance styles. In this interactive class, students will incorporate technical skills learned into a dynamic dance routine to be presented on the last day of class.
