ACKNOWLEDGEMENTS

Thank you to fellow Archway music teacher, Mr. Travis Turley, for helping to prepare the 5th graders for today's Concert.

Thank you, also, to Mrs. Robinson as our Music Team Lead. Her sound board skills and logistics management were critical for this Concert. So many aspects of a complex school schedule and demand for shared space needed to be accounted for to make this Concert possible.

We are grateful for the musical talents of Mrs. Helen Kodl and Mrs. Hannah Holden, both of whom have connections to the 5th grade. Mrs. Kodl is a grandparent to Case Layton (5th grade), and Mrs. Holden is a parent to Benji Holden (5th grade). We also have great appreciation for Mrs. Brittany Derrick who is an Adjunct Faculty member teaching American Sign Language at Estrella Mountain Community College. She ensured that Dr. Hong's translation of Canon of Hope into ASL was done with as much integrity and accuracy as possible.

Finally, thank you to both the Archway and Prep Administrative Team for their support throughout the planning and execution phases of today's program and to everyone on staff (especially our Specials Team) for their immense flexibility and help during every aspect of concert preparation.

It is truly a team effort to execute a program like this one. We hope that you enjoyed the Art Walk and will enjoy an evening of beautiful music!
